# PROTEIN+ SLICES LATTERIE INALPI THE RIGHT WAY

Boost your vitality and wellness with a unique blend of nutrition and taste - meet the new **Inalpi Protein+ slices!** Zinc and selenium take center stage in our specially formulated slices, offering a powerhouse of essential nutrients in every bite.

But that’s not all: **our Protein+ Inalpi slices are fortified with postbiotics.** These vital components of wellness actively contribute to health maintenance, transforming our slices from a mere food item into a truly beneficial addition to your daily diet. With a

stunning 25 grams of protein per 100 grams of product, Inalpi Protein+ slices are the quintessential partner for fitness lovers and health enthusiasts who wish to nourish their bodies without compromising on flavor. Crafted from short, transparent, safe supply chain milk, these melted cheese slices beautifully encapsulate the best of Italian dairy tradition and innovation. Elevate your protein diet to new delicious heights! Embrace the Inalpi Protein+ experience - a revolutionary blend of nourishment, indulgence, and wellbeing.

**Welcome to a protein revolution that truly feels good!**
