# About us

**Ital Lemon S.p.A. was founded in 1975 in Codogno (LO), Italy.**

We produce and distribute lemon and lime juices and condiments.

Our corporate's philosophy aims at offering to our customers and consumers high quality standards products.

We don't substitute the fresh product, but our target is to make it available ready to serve and guaranteed as an alternative to the fresh fruit.

We perform rigorous quality control checks among the entire supply chain, from juice selection and blend to bottling and storing following our quality control systems certified ISO 9001:2015, BRC and IFS.
